On Tuesday, the 27th July, 2010, the Mini-Vinnies organised a Rice Day to help raise funds for The Missions. Mini-Vinnies raised over two hundred dollars. This money goes to the missions overseas to help feed the hungry and will also help our school host “Village Space” this month. Rice Day has been an opportunity for us to think about all the people in many parts of the world who eat rice as a main meal.

For many children, if they are lucky, a handful of rice will be all they eat in a day!

St Anthony’s, you have showed that you can help and that you will help!! Thank you St Anthony’s for all the kind donations.
